

The Whitecross Way

Raising Attainment. Achieving Equity. Every Child. Every Day.

We are committed to removing barriers and creating opportunities so every child can thrive.

We know our families

We take the time to really understand our families, our community, SIMD and the impact of poverty. This helps us support our children in the ways that matter most.

Magic Breakfast for all

Every child is entitled to a healthy Magic Breakfast every day, so they start school ready to learn.

No cost school trips and experiences

All children have access to amazing trips and experiences with no cost to families.

Cluster residential – heavily subsidised

Our cluster residential experiences are heavily subsidised to reduce barriers and give every child the chance to take part.

Food Larder

Our food larder is here to support families with dignity, care and understanding.

Share and Wear at Whitecross

Our eco uniform recycling helps families access good quality uniform and supports our planet too.

Curriculum designed for our children

Our curriculum is designed developmentally to meet the needs of every child.

Outdoor learning for all

Every child has access to rich outdoor learning experiences that build confidence, skills and wellbeing.

Froebel principles at our heart

We follow Froebel principles throughout our school, valuing play, creativity, curiosity, nature and relationships.

Tracking, monitoring and targeted support

We track and monitor progress carefully to identify needs early and provide the right support at the right time.

Family learning experiences

We offer fun, inclusive family learning experiences. There is no expectation for formal homework.

iPads charged in school

Children's Connected Falkirk iPads are charged in school to reduce costs and ensure every child is ready to learn.

Every child is valued. Every voice matters.
Every day is a step towards success.
Thank you for being our partners in learning.
